Department Heads

Police Department

The 2015 Grant for Stonegarden has come to an end. We are currently waiting on the paperwork for the 2016 Stonegarden Grant. AZ Post Rules have changed. Department of Justice laws have also undergone some changes. The Department is in the process of reviewing a Mutual Aid Agreement with surrounding agencies that will be brought forward to Council approval at the February Meeting. NIXLE user numbers are continuing to grow.

Mayor McCollough took a moment to welcome the new Town Manager Larry Killman.

Magistrate and Court Department

Judge Jones reported on Court activity for the month of December 2015. Total of \$2,454.82. Wellton Police Department had five civil, two criminal, six misdemeanor and one animal citation. He has been very pleased with the janitorial maintenance the Town is providing.

Fire Department

Chief Rivera reported on the Fire Department activity for the month of December 2015.

Public Works Department

Public Works Director Grant reported on the activity for December 2015. Water Department/Safety/Building Inspections: A wall has been built in the foyer of the water plant control building – creating another office. This frees up my old office for its intended purpose - a meeting room. Streets/Water Distribution/Sanitation/Pool Maintenance/Facilities: The two workers that were off are now back to work on light duty. One of the residential trucks was towed to town on the 29th for a hydraulic pump problem, which may be under warranty, we are looking into it. Butterfield Golf Course/Parks/Community Center/Cemetery: Staff have been painting the interior walls of the Community Center and replacing baseboards to continue improving its overall condition. N.D. Kline Pool: The pool is shut down for the winter. Facilities: Had the roof leaks repaired on the Community Center and Fire Department by D.S. Rich Roofing. We are looking into cost of expanding the Fire Station to the East to house the new Tender Truck and then we will expand the drive way for access onto Los Angeles Avenue. Other: We had a visit from J.C. Sanders, who is the President of Arizona Peace Trail and a group of 8 ATVs from Arizona SunRiders ATV Club from Quartzite. They were very excited about what our town had to offer, loved our close proximity and I'll note that they stayed overnight and ate meals here so we're already benefitting from the trail.
