Wellton-Mohawk Fine Arts
Artisans' Guild
We Have HeART!

Wellton-Mohawk Fine Artisans' Guild would like to thank both the fulltime residents and our winter visitors for supporting us throughout this winter season. We have had three art shows this season and our fourth and last one will be on March 9th at the Pioneer Museum. We are also a sponsor of the Fine Arts Department of

the Yuma County Fair and if you are an artist either an adult or student who would like to show your art, check out the fair book for details on entering.

We were able to have the Yuma Orchestra Association put on a concert in January and it was amazing. We hope we will be able to do this event again next year. We have had so much fun with our workshops, classes and events.

The Town of Wellton has graciously given us space in the clubhouse at the Coyote Wash Golf Course to hang our artwork and we are forever thankful to them for supporting the arts in Wellton.

We wish to also thank the following for their contributions to our success – All our wonderful volunteers, the Pioneer Museum for providing the art room in their building, all of our instructors, Rancho El Mirage for providing their clubhouse for the concert, an art show and an artist's workshop with an international known watercolor artist and Coach Stop RV park for the use of the Pottery Barn for instructions on Creative Clay. We hope we haven't missed anyone.

We hope to see everyone again next season as we will be closing down most of our operations in mid-March. Have a safe and happy summer to everyone.
