

Temporary Parking Adjustment

June 28, 2022

Attention: Affected Residents

Reference: San Francisco Avenue Improvements project

Dear Affected Residents,

The Town of Wellton has contracted Gutierrez Canales Engineering, PC. (GCE) to perform new concrete improvements in your area. We will need to place curb, sidewalk, and driveways. We ask for residents to please refrain from using their vehicle access in the front of the property, and to temporarily use alley access or park vehicles in use on Hindman or Center Street for the duration of concrete placement starting Wednesday 6/29/2022, through next Wednesday 07/06/2022, during workdays. Areas affected will include San Francisco Avenue between Hindman Street, and Center Street. Residents can return their vehicles to park on the roadway, away from the curb between the hours of 4P.M. and 5.A.M.

We understand that this may inconvenience you, if you have any questions regarding this notice or the improvement construction project, feel free to contact Daniel Gonzales at (928) 503-0126.

Sincerely,

Daniel Gonzales
Site Superintendent
